1 x User Manual

4 x Extra PVC Brushes

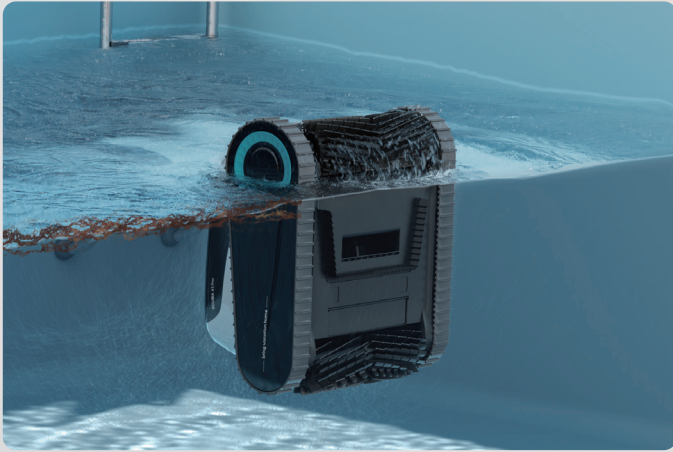

Charging Dock

Optional Accessories

Aiper Scuba N1 Pro

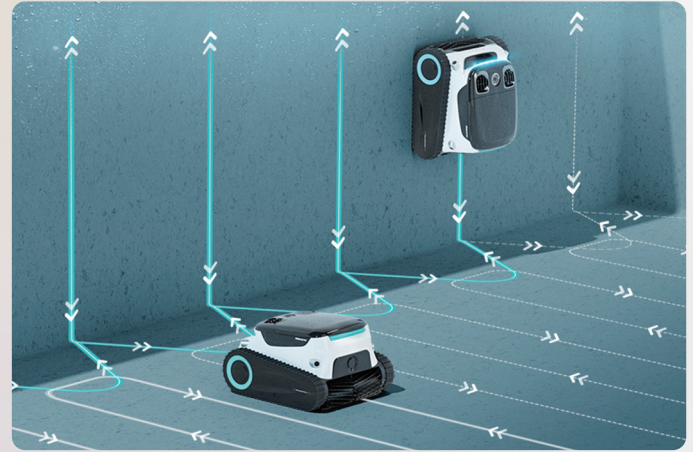

Live Life Sideways

Maximum Cleaning Area	200 m ² (2 150 sq. ft)
Suction Power	25 200 LPH (6 600 GPH)
Battery Life	180 Minutes
Charging Time	4 Hours
Filtration Level	Option 1: 180µm Fine Filter Basket Option 2: 3µm Replaceable MicroMesh™ Ultra-fine Filter (Included)

WaveLine™ Horizontal Waterline Cleaning

The industry's first horizontal waterline cleaning technology, allowing 60-second lateral movement, effectively removes stubborn buildup like sunscreen and oils, ensuring spotless waterlines in hard-to-reach areas.

WavePath™ 2.0 Navigation Technology

Leveraging cutting-edge technology, WavePath™ 2.0 intelligently assesses the robot's position in the pool, selecting optimal cleaning paths to deliver a thorough and effective clean across all pool surfaces.

Replaceable MicroMesh™ Ultra-fine Filter Captures Fine Debris

Designed for durability and efficiency, the industry-leading MicroMesh™ filter keeps your pool cleaner operating at its best—season after season. This ultra-fine filter captures even the smallest impurities, ensuring a spotless pool while preventing clogs and maintaining peak cleaning performance.

Advanced™ Obstacle Avoidance with Four Infrared Sensors

Four infrared sensors on the device work to detect pool walls, stairs, and large obstacles, allowing it to adopt its path for a complete clean.
